EXPLODED GAS LAMP

Does Considerable Damage at Mr. Wm. Pyles' Place in the County

Some few nights since the large gas lamp, used by Mr. William Pyles in his incubator, exploded while the family were asleep, and, setting the building on fire, destroyed a large number of eggs about ready to hatch and over three hundred pigeon squabs nearly ready for market.

Everything connected with the hatchery was burned up, and had it not have been that the wind blew away from his residence that, too, would likely have been destroyed, as the fire wasn't discovered until it had obtained sufficient headway to prevent its arrest.

MAYSVILLE'S SWEET SINGER

High Compliment Paid to Miss Florence Pearce Wadsworth

The many friends here of Miss Florence Pearce Wadsworth, the talented daughter of Hon. and Mrs. W. H. Wadsworth, will be delighted to learn of a very high compliment paid her in New York City, where she is pursuing her studies in music.

Miss Wadsworth sang recently for Madam Szamosy, and some of her friends at the Hotel St. Regis, New York, and at the conclusion was told by Madam Szamosy that she had the most beautiful voice she had heard in America, and that no singer in America or Europe on the operatic stage had such splendid high notes.

Recognizing fully the possibilities of her voice, Madam Szamosy, who by the way is quite well and favorably known in the music world, wanted Miss Wadsworth to sail for Europe with her the past week and put her under her teacher, a compliment indeed to Maysville's sweet singer.

ALL is joy in Mudville. HEINE PEITZ has signed to play ball with the Louisville Colonels.

TALKING about your record-breaking labor feats, and "shorter hours and more wages," how is this for a day's work?

NELSON GARRETT, colored, of this city, broke 778 pounds of hemp in one day last week, for which he received \$1.40 per hundred. This breaks the record.—Mt. Sterling Gazette.

JUDGE TAFT, who has charge of the work and ought to know, says the Panama Canal will be completed in eight years, or even less. Mr. TAFT will be serving his second term as President of the United States when the formal opening of the canal takes place in Anno Domini 1915.

PERHAPS the conversion of sinners is such an unusual thing at Maysville, that four thousand people gathered on the river banks at that city last Sunday to witness the baptizing of seven converts.—Winchester Democrat.

MAYBE those seven were the only sinners in Maysville and the other 4,000 were doing the "ninety and nine" act. Bro. LYDDANE, we have many people in Maysville who say they are mighty good, and they ought to know if they tell it themselves.

INDIANA has tumbled into the Fairbanks ice wagon early in the contest. It will be a little stale, but there's nothing like being on cold storage for a year before being used.

TAFT and FAIRBANKS are both candidates for the Presidency. Both made speeches Saturday, TAFT at Cincinnati and FAIRBANKS in Iowa, but neither of them touched upon politics. Is it possible that the Presidency has been lifted above politics? The touch of the velvet hand is felt, and the dim track of the gum shoe is seen in the political mud, but further, deponent sayeth not.

IMMIGRATION Inspectors at New York are astounded at the number and the variety of concealed weapons found upon the persons of our new, would-be citizens. One of the Italians arrested Saturday was a walking arsenal. He had two revolvers, a long stiletto, brass knucks and a slungshot, or billy. Sometimes as many as two bushels of pistols, knives and other weapons are taken away from one steamer's quota of immigrants. This beats Breathitt county's reputation for pistol toting.

NO CHANCE FOR ARGUMENT.

Philadelphia Index.

"George," said Mrs. McSkillop to her liege lord, who was toasting his shins before the fire, "I suppose you get the credit for sweeping the snow off our front walk."

"I reckon I do, Cynthia," responded George.

"And you know you don't do a lick of it. You know I do it myself."

"You do, Cynthia. There can't be any doubt about that."

"Well what sort of a man do you think you are?"

"I'm a blamed small specimen of a man, Cynthia," said George, still serenely toasting his shins. "I have no doubt I am meaner and more contemptible than you think. Lord love you, Cynthia, you can't get any argument with me on that proposition. I'm the laziest, good-for-nothingest, oneriest man in the neighborhood. If it wasn't that I've got such a good wife I'd go and blow my worthless brains out. Supper ready yet, dear?"

SEALED PROPOSALS will be received at the Postoffice Building, Maysville, Ky., until 2 o'clock p.m., Saturday, May 11th, 1907, for furnishing fuel, lights, water, ice, miscellaneous supplies, washing towels, hauling ashes, and sprinkling streets for this building during the fiscal year ending June 30th, 1908, or such portion of the year as may be deemed advisable. The right to reject any and all bids is reserved by the Treasury Department. CLARENCE MATHEWS, Custodian.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

MOST ANY MAN LOOKS WELL IF PROPERLY DRESSED.

Of course we can't take an ape or a man whose ancestors walked on all fours and make him look like an Adonis or a Beau Brummel; but we are showing a line of Suits for men and young men that for style, fit and finish far exceeds anything we have ever shown, and we have always shown the BEST. We invite comparison—see what the other has and then look at ours.

Our Children's Department—Suits from 3 to 16 years—We are showing a very complete assortment at very reasonable prices.

A FATAL MISTAKE.

Is Often Made by the Wisest of Maysville People.

It's a fatal mistake to neglect backache. Backache is the first symptoms of kidney ills. Serious complications follow.

Doan's Kidney Pills cure them promptly. Don't delay until too late.

Until it becomes diabetes—Bright's disease. Read what a Maysville citizen says:

James D. Tolle, clerk at Wood Bros., meat market, and living at 117 Short street, Maysville, Ky., says:

"I was troubled a great deal for some time with constant heavy pain in the small of my back and over the kidneys. At times it was so bad that I could not stoop to sit down or get up without much difficulty. The action of the kidneys was noticeably weakened and passage of the secretions were too frequent. There also a burning sensation at times. Hearing Doan's Kidney Pills I began using them and finding great benefit continued their use until I had taken one or two boxes more and was thoroughly cured of all my troubles. I have never had the least bit of suffering from my back or kidneys since. I give all the credit to Doan's Kidney Pills and feel justified in strongly recommending them to others."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agent for the United States.

Remember the name—Doan's—and take other.
